

Gary Staley Memorial Scholarship Application (GSM)

The GSM scholarship program was established to primarily provide financial assistance for training, education and safety for firefighters. The program provides financial assistance for tuition and related costs for classes in firefighting, emergency response, supervision, safety and EMS. The primary emphasis of the GSM is to provide scholarships for tuition for academy basic firefighting training to applicants who without this financial assistance would not be able to complete necessary training. Grants are limited to tuition and related costs and are subject to available funds. Grants from this program consider other grants which may be available.
